DETAILED ACTION

1. This action is in response to the amendment filed on September 26, 2006.
2. Claims 1-10 are allowed.

Allowable Subject Matter

3. The following is an examiner's statement of reasons for allowance:

The independent claim 1 is allowed over the prior arts of record.

The prior arts of record neither teach nor fairly suggest: "providing derivations of the examples from the clauses in the logical theory in a form of proof trees..transforming each proof tree into a database of a coverage check apparatus using a first process sequence..transforming the partial proof tree into a database query of the coverage check apparatus using a second process sequence" as recited in independent claim 1.

The dependent claims, being definite, further limiting, and fully enabled by the specification are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
